

MINUTES OF MEETING OF BOARD OF ELECTRICAL APPEALS

September 8, 2009 - 3:00 p.m.

**OFFICE OF CENTRAL INSPECTION
CITY HALL, 455 NORTH MAIN
OCI CONFERENCE ROOM, 7th FLOOR**

Chairman Harold Ragland called the meeting to order at 3:09 pm, with Board members Tim Lenz, Dave Urban, Brad Bishop and Secretary Tom Kerschen present. Also present were City attorney Jeff Vanzandt and electrical inspector Chris Nordick. Board members Mike Kilian, Shane Chapman and Scott Alder were absent.

The minutes of the August 11, 2009 meeting were read. Board member Urban made a motion the minutes be approved as written, it was seconded by Board member Bishop and approved.

The recent examination results from Prometric for electrical examinations administered by their office for City of Wichita approved applicants were presented to the Board. The results were as follows:

APPLICANT NAME	APPLICANT NUMBER	EXAMINATION CLASSIFICATION	EXAMINATION RESULT
David Blessman	7478	Master	Failed
Luke Drake	3231	Journeyman	Failed
Derek Hogan	5642	Journeyman	Failed
Frankie Loubey Jr.	8447	Res. Wireman	Failed
Matthew Whitley	3366	Elevator Mechanic	Failed

One (1) Master Electrician and four (4) Elevator applications were reviewed for approval to be administered the appropriate examination for certification. The results were as follows:

NAME	NUMBER	CLASSIFICATION	ACTION
David Blessman	7478	Master	Approved
Dewey Nantz	2632	Elevator	Approved
Pete Seidel	5902	Elevator	Approved
John Smith	5344	Elevator	Approved
Matthew Whitley	3366	Elevator	Approved

Under the New Business section of the agenda, secretary Kerschen presented the Board with copies of the current electrical permit fee application and the previous electrical permit fee application. The electrical permit fees were increased in 2006. Secretary Kerschen explained that the current fees are adequate for covering the cost of inspections for most jobs. There is the occasional job, that because of the type of remodel that is taking place, requires more trips than the permit fees would cover, but since it is not very often he would recommend the current fees to remain.

With no other business to conduct, Board member Lenz made a motion to adjourn. Board member Bishop seconded the motion and the meeting adjourned.

The time was 3:46pm.

Steve Schauner
Electrical Inspector
